General Terms for Messe Muenchen Fairground Tours:

At the moment of reconfirmation of the date of the tour by MUENCHEN CITY TOUR the Participation Fee falls due. The Participation Fee is to be rendered before the tour and is not including any further services, such like entrance fees to trade fairs. In the case, that a group of participants cannot attend at the scheduled date and hour of a tour start, there is a possibility to reschedule the tour, provided that a written advice is sent by e-mail at least 48 hours before the original tour start. Cancellations beyond the 48 hours timeline require the full payment of the agreed Participation Fee. There is no possibility for the participants to reclaim back the Participation Fee entirely or in part in case that part of the fairground is not accessible, especially during trade fairs happening at same time. During the entire tour the participants are subject to their own risks of health or accident incidents. More over the tour guide is not liable for any damages caused by the participants to any third parties. The tour participants have to get aware, that any of such risk is to be covered by their own liability insurance.
